**Operations/Board Committee Meeting Minutes for June 26, 2002**

- 1030 George, N7GME and Bill, N7YT were discussing technical accomplishments, upcoming tower climb to install second coax. Upon conclusion Bill mentioned as Treasurer he was going to get a table at the upcoming Hamfest in October.
- 1050 George volunteered to assist Bill and ideas were discussed. The Membership package will be handed out at the Hamfest if not mailed before. Bill suggested having items on the table to attract new Members and one of them was a WWRA patch.
- 1100 George did some research and found out that J&J Embroidery Co. will make them for \$2.38 each per 100.
- 1105 Bob, KC7DRQ joined in and was briefed and called a Board meeting since we had a majority and Bill was authorized to purchase 100 patches to be sold a little over costs to the Membership and a dollar or so more to non-member patch collectors. Final figures will be worked out by Bill so that the WWRA does not lose money.
- 1110 Meeting adjourned by Bob and George.
