HAMFEST Planning Meeting Minutes for August 29, 2002

- 0907 Bob, KC7DRQ, George, N7GME and Bill, N7YT got together to discuss what they could do to embellish our presence at the North Kitsap County Amateur Radio Club Hamfest in October. Additionally the discussion included attracting NEW Members to the annual meeting now contemplated to be in early February.
- 0909 Bob volunteered to pay for the phone line to Russ Swank at NKARC to operate his radio show at the WWRA table.
- 0917 Bill left messages to find out what happened to our old banner, if there was one but did not have any luck. So it was decided to get a new one with the WWRA logo in the center. Bob took for action and will order a new WWRA banner with logo to be displayed on the front of our table and to be used at future meetings of the WWRA.
- 0929 Bill reported that the new WWRA patches are going well. There should be enough for sale at the Hamfest and next General Meeting in February.
- 0930 Bill reported that he already had a table reserved for the WWRA at the Hamfest.
- 0931 Get container for patches
- 0934 It was decided to procure Kenwood THD7(G) to be raffled off at the annual meeting but we could start selling raffle tickets at the Hamfest.
- 0935 Bob donated a roll of raffle tickets.
- 0936 Discussed and get SECURE raffle ticket container. Bob said he would bring his locking cash box for the Hamfest and the General Meeting.
- 0946 Make up raffle sign. George volunteered to take care of this item.
- 1010 Make up Membership sign up sheets. George also volunteered for this one.
- 1030 Setup Hamfest WWRA-10 APRS station. George will also do this with his laptop and the newly procured to be raffled Kenwood TH-D7(G).
- 1032 Candy bowl and Candy. Bill volunteered to get this setup for the WWRA table.
- 1033 Meeting adjourned.
